2. Key Entity Information and Management

a) Background information

Makueni County is a predominantly rural economy with agriculture accounting for 78 per cent of the total household income. The total Gross County Product (GCP) is estimated at Kshs 111 billion (GCP, KNBS 2021). The County's vision is to be "A prosperous value-based County with high quality of life" and a mission "to transform the livelihoods of each household through accountable leadership that creates an enabling environment for inclusive, effective and efficient service delivery".

The County Executive Committee Member is responsible for the general policy and strategic direction of the department and appoints the County Receiver of Revenue in accordance with Section 157 of the PFM Act 2012. The Directorate is spearheaded by Director Revenue who is also the County Receiver of Revenue and is responsible to the Chief Officer, Planning, Budget, Revenue and Monitoring & Evaluation. The Directorate has six divisions that specialize in offering specific deliverables that contribute to the overall functionality of the Department. Each of the division is headed by a division head at the level of Deputy Director. The divisions are (1) Business licensing, (2) Systems and Revenue reporting, (3) Land Based Revenue, (4) County Entities and Hospitals AIA revenues, (5) Unstructured Revenue and, (6) Policy, Strategy and Decentralized Services.

b) Principal activities

The Receiver of Revenue collects, accounts and remits revenue to the County Revenue Fund (CRF) held at the Central Bank of Kenya.

c) Key Management Team

The County Government of Makueni day-to-day management of revenue is under the following:

3. Management Discussion and Analysis

The Makueni County development blueprint Vision 2025 sets out strategic objectives geared towards empowering the Makueni County citizenry to be able to increase productivity and there by enhance their economic wellbeing through saving and investment for wealth creation. The key driver for this vision shall be informed by the county's ability to mobilize adequate resources in terms of revenues and seeking strategic partnerships to support the vision. The county resources over the past years have comprised of the national equitable share, conditional grants from the national government, and Own source revenues (OSR)

Legal Framework

Article 209 of the Kenya Constitution gives power to county governments to impose certain taxes, fees, charges necessary for funding of their development programmes and activities. Further section 132 of the Public Finance Management Act 2012 provides for the enactment of a Finance Act to guide the imposition of these taxes, fees and charges.

Policy and Revenue Administration.

An assessment of the system of tax administration of Makueni County was undertaken using the Tax Administration Diagnostic Assessment Tool (TADAT) which provides an assessment baseline of tax administration performance that is used to determine reform priorities based on international standards. TADAT framework has nine performance outcome areas (POAs) and 32 high level indicators critical to tax administration performance. Although the Department has a number of good practices in place, core tax administration functions need to be improved. The TADAT assessment has highlighted many areas where the tax system, relative to international good practice, is either inadequate or where performance is weak. The County is implementing the recommendations contained in the report.

Own Source Revenue Performance

The county has over the years been unable to achieve set revenue targets on own-source revenue principally due to lack of appropriate data to assess revenue potential, coupled with weak enforcement for compliance as well as lack of requisite laws to facilitate enforcement, staff shortage and negative impact arising from COVID -19 pandemic that affect trade and commerce. Towards this end the county has instituted measures to address these bottlenecks in addition to exploiting the untapped potential of land based revenue.

Own source revenue performance registered a growth of 22% from Kshs 585,884,635 recorded in third quarter of FY 2022/23 to Kshs 716,057,547 in financial year 2023/24. The increase was attributed to

Receiver of Revenue
County Government of Makueni
Quarterly Reports and Financial Statements for the Period Ended March 31st, 2024

collective efforts to enhance Own Source Revenue collection, unified billing, enhancing supervision and enforcement, sensitizing customers on voluntary payment of taxes and fees, increased uptake of health insurance through NHIF, enhancing cashless collection, and reporting of all revenues collected by County government entities. Table 1 shows the actual own source revenue collection for third quarter in the last five years for the period under review.

Financial Year	Actuals
	Kshs
2018/2019	317,282,315
2019/2020	356,567,485
2020/2021	396,748,397
2021/2022	476,588,345
2022/2023	585,884,635
2023/2024	716,057,547

Human Resource Capacity

The Directorate of revenue has had high staff turnover through retirement and other natural attrition, The County Treasury has made every effort to replace the existing staff, though a gap still exists. As part of staff development and retention, the County continuously allocates funds for training of staff to ensure they are at par with the operational and professional requirements of their career. This is done through staff attending continuous professional development courses, approved trainings and customized in-house group trainings.

4. Statement of Receiver of Revenue's Responsibilities

Section 166 (1) of the Public Finance Management Act, 2012 requires that, at the end of each quarter, the accounting officer for a County Government Entity shall prepare financial statements in respect of that entity. Section 166 (2) (b) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Receiver of Revenue is responsible pursuant to Section 165 of the Public Finance Management Act, 2012 for the preparation and presentation of the Receiver of Revenue financial statements, which gives a true and fair view of the state of affairs of the Receiver of Revenue financial statement as at the end of the period ended on 31st December, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the statement of assets and liabilities of the entity, (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) safeguarding the assets of the entity, (v) selecting and applying appropriate accounting policies, and (vi) making accounting estimates that are reasonable in the circumstances.

The Receiver of Revenue in charge accepts responsibility for the entity's receiver of revenue accounts, which have been prepared on the Cash Basis method of financial reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS) and relevant legal framework of the Government of Kenya. The Receiver of Revenue certifies that the County Government of Makueni Receiver of Revenue account gives a true and fair view of the state of County Government of Makueni Receiver of Revenue transactions during the period ended 31st March, 2024 and of the entity's statement of financial assets and liabilities as at that date. The Receiver of Revenue further confirms the completeness of the accounting records maintained, which have been relied upon in the preparation of the receiver of revenue account as well as the adequacy of the systems of internal financial control.

The Receiver of Revenue confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable). The Receiver of Revenue confirms that the revenue statements have been prepared in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the Revenue Statements

Receiver of Revenue
County Government of Makeni
Quarterly Reports and Financial Statements for the Period Ended March 31st, 2024

- (a) **Hospital Fees** performed well due to increased NHIF uptake through on boarding of more health facilities in the program as well tightening collections from Facility Improvement Fund.
- (b) **Hire of County Assets** improved due to increased activities and training at Agricultural Training Centre Kwakathoka
- (c) **Public Health Fees** performed fairly well as a result of unified billing and through follow up of customers
- (d) **Parking fees** registered improvement in performance as a result of shifting from daily parking fees to monthly parking fees and tightening controls in the bus parks.
- (e) **Cess and Market Entrance Fee** also registered great improvement due to fully going cashless and tight controls in the markets.
- (f) **Single Business Permits and Land rates** underperformed because they fall due in the third quarter and most of the customers didn't clear their dues on time. We are intending to enforce for compliance throughout 4th quarter.

An ageing analysis of revenue in arrears has been shown on note 21 of these financial statements.

9. Notes to the Financial Statements

Accounting Policies

The principal accounting policies adopted in the preparation of these revenue statements are set out below:

1. Statement of Compliance and Basis of Preparation

The revenue statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and relevant legal framework of the County Government of Makueni. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity. The accounting policies adopted have been consistently applied to all the years presented.

The revenue statements have been prepared on the cash basis following the standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the entity.

2. Recognition of Receipts

The entity recognises all receipts from the various sources when the related cash has been received by the entity.

3. Budget

The County Revenue budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County budget was approved as required by law. The original budget was approved by the County Assembly of Makueni for the period 1st July 2023 to 30th June 2024 as required by law. There was a supplementary budget which was passed by the County Assembly of Makueni on 20th November 2023. A high-level assessment of the County's actual performance against the comparable budget during the period under review has been included in these financial statements.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include revenue collection accounts held at Commercial banks.

5. Revenue in Arrears

This relates to revenue earned and is yet to be received or collected by the receiver of revenue. These arrears are disclosed under the statement of arrears as required under the PFM Act, 2012 Section 165 (2) (b) which is a memorandum statement.

6. Disbursements to CRF

The Receiver of Revenue has an arrangement for transfer of funds from its bank account to the CRF account. Total disbursements to the CRF are as a result of the transfer arrangement during the year.
